

# That Last Forever

## Welcome!

Welcome to Camp Gan Izzy, part of the largest and fastest growing network of Jewish day camps in the world, Gan Israel. Our camp enjoys a well-earned reputation as a trendsetter with innovative ideas, creative programs, and new activities being introduced continuously. Children have been known to wait all year to come back to Gan Izzy! Campers will enjoy a range of exciting activities and field trips in a warm and caring environment.

**The real secret to our success lies in our outstanding staff.**

We believe that camp should do a lot more than just provide fun & games... a camp should be a place where children learn the importance of caring, sharing, tolerance, patience and working with others. A camp should bring out the best in each child's character and personality. A Jewish camp should be a place where this can be experienced with the richness, excitement and warmth of Judaism.

And finally, camp should be a truly enjoyable and unforgettable experience...
