"This was the first year for my daughter and we were a bit nervous. We signed her up for 2 weeks at first but by the end of the first week we could not even think of the transferring her to a different camp! It was precious how welcoming and caring the counselors and Rabbi Lezell were. Sarah loved every minute of it and we are definitely coming back next year. Thank you for the GREAT summer!!!" ...YG

"Thank you so much for this camp... our daughter loved the variety of activities, workshops and the cool trips twice a week. She even liked the food!" ...LW

"Gan Izzy is the third camp my kids have been to and I am perpetually amazed by the ability of you and your staff to treat every child as if he/she is the only one there with the way you cater to each of their needs. My kids have, without exception, returned happy and full of stories of their exciting day. From the bottom of my heart, thank you" ...IH

"My kids had an amazing time at camp this summer. They love it and can't wait to go back next summer!!! I was thrilled with the program!" ...PW
